

Community Partner: Salvation Army: Group 1

Team name: Angels of Salvation

Team Members: Nelson Howard, Kris Myers, Bryan Snow, Princess Uzoh, Will Washington, Lucina Villes

The Angels of Salvation Action Team completed 161 hours of service to the Salvation Army, logged 83 visits, and traveled 91 miles during the fall semester of 2008. The purpose of their work was “to aid the Salvation Army with all of its activities, which include enhancing its facilities, creating efficient and effective customer service, and creating a sense of awareness and service for its needs.” The Angels of Salvation addressed their purpose by assisting with Plan Heard the Call, which meets the needs of the Salvation Army’s Angel Tree by collecting Christmas toys. The Angels of Salvation got various organizations to attend an organized event, found speakers for the event, and encouraged others to attend the event and bring a toy to donate. The team also assisted in the decoration of the auditorium for the Plan Heard the Call event. Here are this team’s thoughts on their project: “We have given our community partner and project our best efforts. We feel that we have succeeded in our efforts and plans for the Salvation Army and Angel Tree. We raised money, and through Heard the Call, collected toys for Angel Tree. We also organized the Salvation Army warehouse to make it more accessible.”
